

# CASB BRIEF - August 12 Vol. 44

## Executive Director Newsletter

Welcome 2025-26! The first day of school has happened or is occurring soon. CASB Regional Meetings started last week, and this year we have regional meetings in 15 different locations—all before the end of August. We are coming to you, because our members asked us to “meet us in our hometown.” We are excited to hear what is happening in your schools, and we want to provide you an opportunity to meet with your colleagues and share your questions about what’s happening at the state level with new policies and laws. Sometimes these gatherings afford you an opportunity to learn or affirm that you are doing a great job for your community.

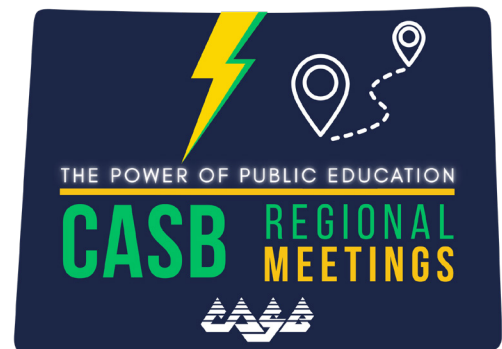

You can still register to attend a regional meeting in your area by clicking on this link: [https://www.casb.org/my\\_membership/membership\\_events/register](https://www.casb.org/my_membership/membership_events/register)

Next week’s meetings will be held in Frisco, Salida, Ridgway, Monte Vista, Durango, and Littleton. The following week CASB will be in Greeley, Hayden, Granby, Lamar, and Colorado Springs.

The agenda for the meetings is region specific, but the general format is the following:

- 4:30 p.m. Welcome and Introductions
- 4:45 p.m. Topic: Adequacy Study Update
- 5:45 p.m. Dinner with facilitated discussions based on region preference
- 6:45 p.m. Boardmanship Course and CASB Board Awards
- 7:00 p.m. Legislative Update / Ballot Information
- 7:20 p.m. McGuffey Awards

-Jubal Yennie, CASB Executive Director

This year’s conference in Loveland, CO at the Embassy Suites on September 5 & 6. Registration is still open, and here is the [Delegate Assembly Resolution Booklet](#).

**Colorado Legislative Special Session** begins August 21, 2025, and CASB will be present to advocate on the behalf of public schools. We will bring you updates and information as quickly as possible.

### CASB Sample Resolutions

Your board can adopt resolutions in favor of or opposed to issues that are on the ballot. However, boards cannot adopt resolutions in favor of certain school board candidates, and must follow the requirements of the Fair Campaign Practices Act when drafting resolutions or distributing a factual, unbiased summary of topics on the ballot. [Review our FCPA resource on our website for more information](#). CASB provides sample resolutions on pertinent topics upon request. Available sample resolutions for the 2025 Election are available below:

- Sample Resolution in Favor of Healthy School Meals for All Ballot Measures
