Leadership and Law Seminar

CASB is sponsoring a **Leadership and Law Seminar** on Thursday, June 12, 2025 at the CASB offices in Denver, CO. The full day seminar (9:00 a.m. – 3:00 p.m.) is specifically designed for district executive leadership teams (Board President and/or Vice President, and the Superintendent). The seminar will be limited this first year to these school board positions to promote interaction and learning for seminar participants. There is **no cost** for attending this Seminar since it is a part of your membership benefits. The seminar topics include:

- maintaining and enhancing a positive board and superintendent relationship;
- addressing conflict at the board level;
- understanding legal issues related to personnel; and
- balancing transparency through legal requirements of open meetings, executive sessions, and CORA requests.

If you are interested in attending or need further details, please contact Jubal Yennie at [jyennie@casb.org](mailto: jyennie@casb.org).

CASB Board Awards

CASB members have asked us to create a recognition program for outstanding school boards, and we did some research nationwide and talked with school board members locally, and we are proud to announce that starting August 1, 2025, CASB will launch a robust school board recognition program. The details for the CASB Board Awards program can be found on our website. You'll be able to start earning points when registration opens for our August and September events; CASB Regional Meetings and the Fall Conference and Delegate Assembly.
