

CASB BRIEF - May 13 Vol. 34

Professional Development Newsletter

Important Dates and Events for your Calendar!

- **Legislative Wrap-Up Webinar:**
 - May 22 from 6 - 7:30 p.m.
 - Find more information and register [here](#). If you aren't able to attend, the recording will be available at a later date.
- **85th Annual Convention:**
 - Registration will open in early June. We require registration in order to have your district placed on our hierarchical list for those in priority group one as well as on the waitlist if you are in group two. Broadmoor Hotel reservation links will be sent to you mid-August if you have registered early and are in priority group one. Contact us for more information: tdemeo@casb.org.
 - Our Student Leadership Academy is in the planning stages and we look forward to meeting your students at the December Convention! More information to come!!
- **Regional Meetings:**
 - The month of August
 - Find more information and register [here](#). We are offering two meetings in certain regions. The agenda for regional meetings will be shared in June.
- **Fall Conference & Delegate Assembly:**
 - September 5-6 in Loveland at the Embassy Suites
 - Find more information and register [here](#). Register here and plan on joining us for networking, professional learning, and more. The agenda is posted.

If you will be participating as your district's delegate for the Delegate Assembly in September, please update that on your personal profile using the My Profile Tab!

CASB Board Training

Did you know that we offer board training that is customized to your needs? Reach out to find out more and schedule your board training and board self-assessment. An effective board participates in learning opportunities so that they are equipped to go beyond in meeting the needs of their students.

Health Insurance Survey 2025

CASB is working with the Colorado Association of School Executives (CASE) and the Colorado Education Association (CEA) to learn more about how school districts are providing medical health insurance for their employees. Please take a few minutes to complete this CEA survey.

The deadline for completing this survey is **June 20, 2025**. We intend to share results at the beginning of the school year in the fall.

\$60 Million CTE Grant for 100,000 Colorado Learners

CASB was contacted by representatives from the National Education Foundation who has grant funding for CTE skills courses for students. Here is a brief overview, and you can find additional information in this [LINK](#).

The NEF Grant provides a 100% scholarship covering \$600 tuition fee per learner. There is a registration fee of \$60 for students, and \$120 for employees and other learners in the community.
